Section 1 – Introduction

This directory provides a list of Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO), Health Net Violet Option 3 (PPO), and Health Net Aqua (PPO)'s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage* (EOC).

This Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua participating provider directory is a list of all Health Net participating providers.

Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua members have the freedom to choose any doctor who accepts them as a Medicare patient. Your Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, or Health Net Aqua plan gives you two levels of benefits and many choices of providers. The level of benefits or coverage you receive is based on the provider you choose. The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

- **In-Network Coverage** – Applies when you receive covered services from providers in our Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua network. Providers and Facilities that are contracted with Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua are called in-network or network providers and facilities. In-network providers are listed in this directory.
- **Out-of-Network** – Applies when you receive covered services from providers who do not participate in our Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua network. These providers are referred to as out-of-network providers. It is important to note that utilizing an out-of-network facility or provider will typically result in higher out-of-pocket costs for covered services.

Your Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, or Health Net Aqua plan does not require that you select a primary care provider to coordinate your health care. You receive your in-network benefits when you receive covered services from a Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, and Health Net Aqua network provider and follow any applicable guidelines, such as obtaining prior authorization when it is required. Some in-network services may require prior authorization (approval in advance) from our plan. Prior authorization is recommended, although not required for out-of-network services.

Refer to the Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3, or Health Net Aqua EOC to determine which in-network services require prior authorization.

Out-of-network/non-contracted providers are under no obligation to treat Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO), Health Net Violet Option 3 (PPO), and Health Net Aqua (PPO) members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our member service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Post-stabilization services are medically necessary covered services related to an emergency medical condition that are provided after you are stabilized in order to maintain the stabilized condition.

Health Net covers post-stabilization care following the administration of emergency services to stabilize or evaluate an emergency medical condition.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. Please refer to your Health Net plan's EOC for more detailed information.

For directories listing other Health Net participating network providers, facilities and/or pharmacies, you can visit www.healthnet.com or call our Member Service Department at 1-800-949-6192 (prospective members), 1-888-445-8913 (for members). However, after February 14, our office hours are 8:00 a.m. to 8:00 p.m., Monday through Friday. On weekends and certain holidays, your call will be handled by our automated phone system. Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO), Health Net Violet Option 3 (PPO) y Health Net Aqua (PPO). Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su *Evidencia de Cobertura* (por sus siglas en inglés, EOC).

Este directorio de proveedores participantes de Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua es una lista de todos los proveedores participantes de Health Net.

Los afiliados a Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua tienen la libertad de elegir a cualquier médico que los acepte como pacientes de Medicare. Su plan Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 o Health Net Aqua le brinda dos niveles de beneficios y muchas opciones de proveedores. El nivel de beneficios o de cobertura que recibe se basa en el proveedor que elige. Los “proveedores de la red” enumerados en este directorio han aceptado brindarle su cobertura de cuidado de la salud. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor.

- Cobertura Dentro de la Red: Se aplica cuando recibe servicios cubiertos de proveedores de nuestra red de Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua. Los Proveedores y los Centros que están contratados por Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua se denominan proveedores y centros de la red o dentro de la red. Los proveedores dentro de la red están enumerados en este directorio.
- Cobertura Fuera de la Red: Se aplica cuando recibe servicios cubiertos de proveedores que no forman parte de nuestra red de Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua. Se hace referencia a estos proveedores como proveedores fuera de la red. Es importante tener en cuenta que el uso de un centro o proveedor fuera de la red generalmente implicará costos de desembolso más altos por los servicios cubiertos.

Su plan Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 o Health Net Aqua no requiere que seleccione un proveedor de atención primaria para que coordine su cuidado de la salud. Usted recibe sus beneficios dentro de la red cuando obtiene servicios cubiertos de un proveedor de la red de Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 y Health Net Aqua, y sigue cualquier pauta aplicable, como obtener la autorización previa cuando se requiere. Es posible que algunos servicios dentro de la red requieran autorización previa (aprobación por adelantado) de nuestro plan. Para los servicios fuera de la red se recomienda, pero no se requiere autorización previa.

Consulte la EOC de Health Net Violet Option 1, Health Net Violet Option 2, Health Net Violet Option 3 o Health Net Aqua para determinar qué servicios dentro de la red requieren autorización previa.

Los proveedores fuera de la red/no contratados no tienen la obligación de tratar a los afiliados a Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO), Health Net Violet Option 3 (PPO) y Health Net Aqua (PPO), excepto en situaciones de emergencia. Para obtener una decisión respecto de si cubriremos un servicio fuera de la red, le recomendamos que usted o su proveedor nos soliciten una determinación de la organización previa al servicio antes de recibir el servicio. Llame al número de nuestro departamento de servicios al Afiliado o consulte su Evidencia de Cobertura para obtener más información, incluyendo los costos compartidos que se aplican a los servicios fuera de la red.

Los servicios posteriores a la estabilización son servicios cubiertos, médicamente necesarios, relacionados con una condición médica de emergencia y proporcionados después de que su condición se estabiliza a fin de mantenerla estabilizada.

Health Net cubre la atención posterior a la estabilización que se brinda después de proporcionar servicios de emergencia para estabilizar o evaluar una condición médica de emergencia.

Si su atención de emergencia es proporcionada por proveedores fuera de la red, intentaremos disponer su atención a través de proveedores de la red en cuanto su condición médica y las circunstancias lo permitan. Para obtener información más detallada, consulte la EOC de su plan de Health Net.

Para obtener directorios que enumeran a otros proveedores, centros y/o farmacias participantes de la red de Health Net, puede visitar www.healthnet.com, o bien, puede llamar a nuestro Departamento de Servicios al Afiliado al 1-800-949-6192 (para posibles afiliados) o al 1-888-445-8913 (para afiliados).
