Pre-enrollment checklist

Moda Health Medicare Advantage plans

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a member services representative at 1-877-299-9062.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit modahealth.com/medicare or call 1-877-299-9062 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2021.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copayment for services received by non-contracted providers.
