## Initial Enrollment Period (IEP)

If you are new to Medicare, you can enroll during your Initial Enrollment Period (IEP); the three months before, the month of, and the three months after your Part B effective date. Once you have been enrolled in a Medicare Plan, you can only make changes during the Annual Enrollment Period (AEP). Please be aware of the AEP dates are now October 15<sup>th</sup> to December 7<sup>th</sup>. This will give you a January 1<sup>st</sup> effective date for your new plan.

## Annual Enrollment Period (AEP)

Applications must be signed and dated on, or between October 15<sup>th</sup> and December 7<sup>th</sup>. ***If they are signed prior to October 15<sup>th</sup> they will be returned to you with a new application.*** If they are received after December 7<sup>th</sup>, you will not be able to change plans until the next AEP for January of the following year.

## Special Enrollment Period (SEP)

There are a number of reasons for Special Enrollments; Loss of a job that provides benefits, death of a spouse who's plan provided benefits, moving to an area where your old plan is not available, etc...
