# Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 503-574-8000 or 1-800-603-2340 (TTY: 711), 8 a.m. to 8 p.m. (Pacific Time), seven days a week.

## Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **ProvidenceHealthAssurance.com** or call **503-574-8000** or **1-800-603-2340 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

## Understanding Important Rules

- In addition to your monthly plan premium (including \$0 premium plans), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual enrollees who are eligible for Providence Medicare Dual Plus (HMO D-SNP).
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2021.
- When selecting an HMO product, remember that except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our HMO-POS plans allow you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Providence Medicare Dual Plus (HMO D-SNP) is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

You may get drugs from a standard in-network pharmacy, but may pay more than you pay at a preferred in-network pharmacy.

Coverage Gap (Applies to all tiers)	<p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for the drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,130.</p> <p>After you enter the coverage gap, you pay your Tier 1 cost share for Tier 1 (Preferred Generic) drugs and 25% of the plan's cost for the covered brand name drugs and 25% of the plan's cost for other covered generic drugs until your costs total \$6,550, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>
