Part D prescription drug coverage (continued)

You begin in the deductible stage when you fill your first prescription of the year. During this stage, you pay the full cost of your drugs until you have paid the Part D deductible (waived on Tier 1, Tier 2 and Tier 7) for your drugs. Cost sharing amounts are the same when received from network retail, mail-order, and home infusion pharmacies as well as if you reside in a long-term care facility. You may get up to a 31-day supply of drugs from an out-of-network pharmacy, but you will pay more than you pay at a network pharmacy. Cost sharing changes when you enter another stage of the Part D benefit.

During the coverage gap stage, you pay 25% of the cost for generic or brand name drugs. During the catastrophic coverage stage, you pay the greater of 5% or \$3.95 copay for generic drugs and \$9.85 copay for all other drugs.

Pre-enrollment checklist

Summit Health Medicare Advantage plans

Before making an enrollment decision, it's important that you fully understand our benefits and rules. If you have any questions or need assistance, please call us to speak to a customer service representative at 1-844-827-2355.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit YourSummitHealth.com or call 1-844-827-2355 to view a copy of the EOC
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they're not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on Jan. 1, 2023.
- Generally an HMO plan does not cover services performed by out-of-network providers. For your HMO-POS plans you may use out-of-network providers to get some of your covered services. However, while we will pay for certain covered services provided by a noncontracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copayment/ coinsurance for services received by non-contracted providers.
