2022 Summary of Benefits

Oregon and Washington

Wellcare Low Premium Open (PPO)

H5439 | 018

We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare Low Premium Open (PPO) from January 1, 2022 to December 31, 2022.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare.com/healthnetor. Or, you may call us to ask for a copy at the phone number listed on the back cover.

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

Our service area includes:

- these counties in Oregon: Benton, Clackamas, Lane, Linn, Marion, Multnomah, Polk, Washington, and Yamhill
- Clark county in Washington

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Preferred Provider Organizations (PPOs) You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made.

Out-of-network/non-contracted providers are under no obligation to treat Wellcare Low Premium Open (PPO) plan members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Low Premium Open (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our

complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/healthnetor.

For more information, please call us at 1-866-277-6583 (TTY users should call 711). Hours are Between October 1 and March 31, representatives are available Monday-Sunday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday-Friday, 8 a.m. to 8 p.m. Visit us at www.wellcare.com/healthnetOR.

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). Please call member services if you need plan information in another format.
