## **Birthday selection rule:**

Beginning thirty (30) days before your birthday, and for thirty (30) days after, you may cancel this policy and purchase another Medicare Supplement policy with the same or lesser benefits to replace this policy. We will not deny or condition the issuance or effectiveness, nor discriminate in the pricing of the replacement policy or certificate on the basis of health status, claims experience, receipt of health care or medical condition.

## **Please note:**

Congress has established a six-month open enrollment period for buying Medigap health insurance. The law guarantees that for six months immediately following enrollment in Medicare medical coverage Part B, individuals cannot be denied insurance due to health conditions.

## **What are guaranteed issue rights?**

Guaranteed issue rights are your rights to buy certain Medigap policies in certain situations outside of your Medigap Open Enrollment Period. In these situations, an insurance company must:

- Sell you a Medigap policy.
- Cover all your pre-existing health conditions.
- Not charge you more for a Medigap policy regardless of past or present health problems.

In most cases, you have a guaranteed issue right when you have other health coverage that changes in some way, like when you lose the other health coverage.

## Section 2a. Household premium discount information

### Household premium discount eligibility information

You may qualify for a household discount with a Continental Life Insurance Company of Brentwood, Tennessee Medicare Supplement plan. You have two options for eligibility. Option 1) You simply need to apply at the same time as another Medicare eligible adult. Option 2) The other Medicare eligible adult must currently have a Medicare Supplement policy with an Aetna company.\*

The Medicare eligible adult must be:

- (a) your spouse or domestic partner; and
- (b) someone with whom you have continuously resided for the past 12 months

If you are eligible, based on the above requirements, then the discount will be applicable when a policy for each applicant is issued. The discounted rates will be 7 percent lower than the individual rates and will apply as long as both policies remain in force.

**Applicant(s) meet(s) these eligibility requirements**  Yes  No

Upon verification of eligibility and approval of your application, you will qualify for the discount.

\*If your spouse/partner currently has a Medicare Supplement policy with an Aetna company, please provide the following information:

Name	Policy number
•	•

### Payment modes

You have a choice among several payment options or modes for paying your premium: annual, semi-annual, quarterly and monthly electronic funds transfer (EFT). Each payment mode, other than annual and monthly electronic funds transfer, results in higher total yearly premium costs. Reasons for higher costs include added collection and administrative costs, time value of money considerations and lapse rates. The annual and monthly electronic funds transfer modes have the same and lowest total yearly premium costs. As a result, there is a time value of money advantage to you for paying monthly versus annually. However, there may be other advantages to you for choosing an annual payment based on your preferences. Your agent can explain the differences in modes and help you decide which is best for you. You may change your payment mode, among the modes available, during the life of your policy.

## Section 8. Producer compensation

When you purchase insurance from us, we pay compensation to the licensed agent. Intermediaries through whom the licensed agent works may also receive compensation.

The agent or intermediary represents us by simply taking your insurance application, collecting your initial premiums and delivering your policy.

Agent compensation may vary depending on the type of insurance plan you purchase or the specific options included with your policy. The agent can receive compensation by:

- Commissions when a policy is purchased or renewed
- Fees for marketing and administrative services
- Educational opportunities

Some agents and/or their intermediaries may also receive discounts on their own policy premiums and bonuses. We may also offer incentive trips or prizes associated with sales contests based on sales criteria. Types of sales criteria include overall sales volume of an agent or intermediary with our companies or percentage of completed sales.

Intermediaries may also pay compensation directly to the licensed agent. If the licensed insurance agent can sell insurance policies from other insurance carriers, those carriers may pay compensation that differs from ours.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF  
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE**

Continental Life Insurance Company of Brentwood, Tennessee  
P.O. Box 14399 Lexington, KY 40512

**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to (your application) (information you have furnished), you intend to terminate existing Medicare Supplement or Medicare Advantage coverage and replace it with a policy or certificate to be issued by Continental Life Insurance Company of Brentwood, Tennessee. Your new policy or certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy or certificate. You should review this coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy or certificate.

**STATEMENT TO APPLICANT BY PRODUCER:** I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy or certificate will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy or certificate is being purchased for the following reason(s) (check one):

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage Plan. Please explain reason for disenrollment
- Other (please specify) \_\_\_\_\_

---

- (1) Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.
- (2) State law provides that your replacement policy or certificate, may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.
- (3) If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
- (4) Do not cancel your present policy or certificate until you have received your new policy or certificate and are sure that you want to keep it.
