Outline of Medicare Supplement Coverage – Benefit Plans A, F¹, HDF¹, G, and N

This chart shows the benefits included in each of the standard Medicare Supplement plans. Every company must make Plan A available. Some plans may not be available in your state. Only Applicants first eligible for Medicare before 2020 may purchase Plans C, F, and high-deductible F.

¹Plans F and G also have a high-deductible option which requires first paying a plan deductible of \$2,370 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High-deductible Plan G does not cover the Medicare Part B deductible. However, high-deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible. These expenses include the Medicare deductibles for Part A and Part B, but do not include the Plan’s separate foreign travel emergency deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit. The annual OOP limits are determined in accordance with section 1882(w)(2) of the Social Security Act. That provision prescribed an OOP limit for 2006 of \$4,000 for Plan K and \$2,000 for Plan L and directed that these amounts increase each subsequent year by an appropriate inflation adjustment specified by the Secretary of

the United States Department of Health & Human Services. For 2019, the calculation of the OOP limits is based on estimates of the United States Per Capita Costs (USPCC) of the Medicare program developed by CMS as published with the announcement of Calendar Year (CY) 2018 and CY 2019 Medicare Advantage (MA) payment rates.

³Plan N pays 100% of the Part B coinsurance except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

PREMIUM DISCOUNT

Affiliate means an insurance company that is under common ownership or control with Cigna Health and Life Insurance Company and that is a member of the same insurance holding company system.

Household is defined as a condominium unit, a single-family home, or an apartment unit within an apartment complex. Assisted Living facilities, Group Homes, Adult Day Care facilities and Nursing Homes, or any other health residential facility are not included in the definition of "Household."

You may be eligible for the following:

1. A discount when you reside in a Household with another adult who is age 18 or older, which includes your legal spouse, civil union partner, or domestic partner. We may request additional documentation to determine eligibility.
2. A discount when more than one member of your Household enrolls or is enrolled in a Medicare Supplement policy provided by or through an Affiliate of Cigna Health and Life Insurance Company.

The discount will be removed if the other adult or Medicare Supplement policyholder whose policy status entitles you to the discount no longer resides in the Household or no longer has a Medicare Supplement policy through Cigna Health and Life Insurance Company or an Affiliate of Cigna Health and Life Insurance Company. If the other adult or the other Medicare Supplement policyholder becomes deceased, your discount will still apply. The addition or removal of the discount will occur on the billing cycle following the date we learn your eligibility has changed.
