This plan is available in all counties in the state of Oregon.

Pre-Enrollment Checklist

Plan G

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak with a customer service representative at **971-345-4013** or **1-888-231-9287 (TTY: 711)**, 8 a.m. to 5 p.m. (Pacific Time), Monday–Friday.

Understanding the benefits

- Review the full list of benefits found in the Medicare Supplement policy, especially for those services for which you routinely see a doctor. Visit **ProvidenceMedicareSupplement.com** or call **971-345-4013** or **1-888-231-9287 (TTY: 711)** to view a copy of the policy.

Understanding important rules

- Use this outline to compare benefits and premiums among policies. This outline shows benefits and premiums of policies sold for effective dates on or after April 1, 2022.
- This is only an outline describing your policy’s most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.
- If you find that you are not satisfied with your policy, you may return it to Providence Health Assurance. If you decide you do not want to purchase this policy for any reason, you may notify us within 30 days after delivery and your insurance will be deemed void from its effective date and premium payments received will be returned to you.

Please contact us at: Providence Medicare Supplement
Enrollment Department
PO Box 14590
Salem, OR 97309

- If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.
- This policy may not fully cover all of your medical costs. This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult “Medicare & You Handbook” for more details or visit **<https://www.medicare.gov/pub/medicare-you-handbook>**. Neither Providence Health Assurance nor its Producers are connected with Medicare.
- When you fill out the application for the new policy, be sure to answer truthfully and complete all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

When you join Providence

You're part of something bigger than an insurance policy. You are part of a community of care, focused on your health and well-being. To help you make the right health care decisions, we're providing this Outline of Coverage, a brief guide that breaks down what we would cover and what you would pay if you have a Providence Medicare Supplement Plan G. To be clear, this summary of benefits is just that, a summary. It does not list every service that we cover nor every limitation or exclusion.

For a complete list of services that we cover, please refer to the Supplement policy. You can request a printed copy by visiting **ProvidenceMedicareSupplement.com** or by calling our Customer Service department at one of the numbers listed in the "Get in touch" section below.

Plan overview

Medicare supplement (also referred to as Medigap) insurance can help cover some expenses not paid by Medicare Parts A and B alone. These Supplement plans are designed to help with some of the out-of-pocket costs associated with Medicare, like deductibles, coinsurance, and copayments, making your costs more predictable and more affordable. Other features include:

- + You are able to keep your own doctor who accepts Medicare patients.
- + You can see any specialist without a referral.
- + There are no claim forms to fill out.
- + Coverage goes with you anywhere in the U.S. when you travel and some plans cover overseas international travel.

If you are in Original Medicare (Parts A and B) and buy a Supplement policy, Medicare will pay its portion of the claim, then your Supplement policy will pay its portion. Medicare Supplement policies are named by letter, Plans A through Plan N. (These are not to be confused with Medicare Parts A, B, C, and D; they are different.) Supplement benefits are standardized and regulated by the State of Oregon's Division of Financial Regulation. A Medicare Supplement policy cannot be used if you also enroll in a Medicare Advantage plan.

Providence is currently offering Plans A, G, and N. Medicare Supplement Plan A offers just the Basic Benefits but has lower monthly premiums with higher-out-of-pocket costs for things like Skilled Nursing Facility Coinsurance and Part B Excess Charges. Plan G offers the most supplemental coverage, paying many of your out-of-pocket costs for Medicare-approved services. Consider this plan if you are willing to pay a higher monthly premium in exchange for more healthcare coverage and lower out-of-pocket costs. Plan N covers the Part B coinsurance, but you pay copayments for covered doctor office and emergency room visits in exchange for a mid-range monthly premium. Please see below for further details regarding coverage benefits for Plan A.

Who can join?

You are eligible for these Medicare Supplement plans if you are age 65 or older, are enrolled in Medicare Parts A & B, and are not duplicating Medicare supplement coverage from another plan (for example, Medicare Advantage). You must also reside in our service area for this Supplement coverage which is defined as all counties in Oregon.
