<sup>1</sup>Plans F and G also have a high deductible option which require first paying a plan deductible \$2,700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup>Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit. The annual OOP limits are determined in accordance with section 1882(w)(2) of the Social Security Act. That provision prescribed an OOP limit for 2006 of \$4,000 for Plan K and \$2,000 for Plan L and directed that these amounts increase each subsequent year by an appropriate inflation adjustment specified by the Secretary of the United States Department of Health & Human Services. For 2019 the calculation of the OOP limits is based on estimates of the United States Per Capita Costs (USPCC) of the Medicare program developed by CMS as published with the announcement of Calendar Year (CY) 2018 and CY 2019 Medicare Advantage (MA) payment rates.

<sup>3</sup>Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

\*See PREMIUM INFORMATION regarding Risk Class and Household Premium Discount rating.

To obtain annual, semiannual, and quarterly premiums, multiply the above-quoted premiums by 12, 6, and 3, respectively.

### **Premium Information**

The premium for your policy will change. Because the premium rate is based on your attained age, the premium will increase each year as you age. This annual premium change will occur on the first policy renewal date which coincides with or follows the policy anniversary date.

A premium change for any other reason can occur on any policy renewal date. However, we cannot make such a change unless we make the same change to all policies using this form issued in the same state to persons of the same classification.

### **Risk Class Rating**

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I – 10% or Class II – 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

### **Household Premium Discount**

You are eligible for a household premium discount if: (a) you reside with your spouse (including civil union/domestic partner) of any age or (b) for the past year you have resided with at least one, but not more than three, other adults who are age 60 or older. The discounted premium will be priced 12% lower than the rates illustrated. The policy's household premium discount will be removed if the other adult or spouse no longer resides with you (other than in the case of his or her death).

### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

### **Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments.

### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **Notice**

The policy may not fully cover all of your medical costs. Neither we nor our agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

### **Complete Answers Are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

**HIGH DEDUCTIBLE PLAN G**  
**MEDICARE (PART A) – HOSPITAL SERVICES – PER BENEFIT PERIOD**

\*A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

\*\*\*This high deductible plan pays the same benefits as Plan G after you have paid a calendar year \$2,700 deductible. Benefits from the high deductible Plan G will not begin until out-of-pocket expenses are \$2,700. Out-of-pocket expenses for this deductible include expenses for the Medicare Part B deductible, and expenses that would ordinarily be paid by the policy. This does not include the plan's separate foreign travel emergency deductible.
